### Functions

#### Sound box (see fig. V)

There are 5 buttons (28a, 28b, 28c, 28d, 28e) on the sound box 28:

- Press button 28a to switch on and off.
  - Press button 28b for the sounds of hammering.
  - Press button 28c for the sounds of grinding.
  - Press button 28d for the sounds of sawing.
  - Press button 28e for the sounds of drilling.
- Note: The sound turns itself off automatically after 15 seconds.

#### Electric screwdriver with sound (see fig. V)

There are 2 buttons (29a, 29b) on the electric screwdriver 29:

- Keep pressing button 29a to keep screwdriver running, release the button to stop.
- Slide 29b to change rotation direction (clockwise/anti-clockwise).

#### Inserting/replacing batteries

- To insert and replace the batteries, proceed as shown in fig. Q and T.

#### Care and storage

- Do not use harsh or aggressive cleaning agents.
- Clean the product only with a dry cloth.
- For gloves: Hand wash in cold water, no bleach. Air dry flat.
- Always store the product clean and dry and at room temperature.

#### Disposal

The packaging is made entirely of recyclable materials, which you may dispose of at local recycling facilities.

Observe the marking of the packaging materials for waste separation, which are marked with abbreviations (a) and numbers (b) with following meaning: 1-7: plastics/20-22: paper and fibreboard/80-98: composite materials.

The warranty for this product is 3 years from the date of purchase. The warranty period begins on the date of

Contact your local refuse disposal authority for more details of how to dispose of your worn-out product.

To help protect the environment, please dispose of the product properly when it has reached the end of its useful life and not in the household waste. Information on collection points and their opening hours can be obtained from your local authority.

The product and packaging materials are recyclable, subject to extended manufacturer responsibility. Dispose it separately, following the illustrated packaging symbols, for better waste treatment. The Triman logo is valid in France only.

The warranty applies to defects in material or manufacture. This warranty does not cover products subject to normal wear, thus possibly considered consumables (e.g. batteries) or for damage to fragile parts, e.g. switches, rechargeable batteries or glass parts.

#### Etabli pour enfant

#### Introduction

Nous vous félicitons pour l'achat de votre nouveau produit. Vous avez opté pour un produit de grande qualité. Le mode d'emploi fait partie intégrante de ce produit. Il contient des indications importantes pour la sécurité, l'utilisation et la mise au rebut. Veillez lire consciencieusement toutes les indications d'utilisation et de sécurité du produit. Ce produit doit uniquement être utilisé conformément aux instructions et dans les domaines d'application spécifiés. Lors d'une réparation à tiers, veuillez également remettre tous les documents.

**Environmental damage through incorrect disposal of the batteries/rechargeable batteries!**

Batteries/rechargeable batteries may not be disposed of with the usual domestic waste. They may contain toxic heavy metals and are subject to hazardous waste treatment rules and regulations. The chemical symbols for heavy metals are as follows: Cd = cadmium, Hg = mercury, Pb = lead. That is why you should dispose of used batteries/rechargeable batteries at a local collection point.

#### Warranty

The product has been manufactured to strict quality guidelines and meticulously examined before delivery. In the event of product defects you have legal rights against the retailer of this product. Your legal rights are not limited in any way by our warranty detailed below.

The warranty for this product is 3 years from the date of purchase. The warranty period begins on the date of

purchase. Please keep the original sales receipt in a safe location. This document is required as your proof of purchase.

Should this product show any fault in materials or manufacture within 3 years from the date of purchase, we will repair or replace it - at our choice - free of charge to you. This warranty becomes void if the product has been damaged, or used or maintained improperly.

The warranty applies to defects in material or manufacture. This warranty does not cover products subject to normal wear, thus possibly considered consumables (e.g. batteries) or for damage to fragile parts, e.g. switches, rechargeable batteries or glass parts.

#### Warranty claim procedure

To ensure quick processing of your case, please observe the following instructions:

Faulty or used batteries/rechargeable batteries must be recycled in accordance with Directive 2006/66/EC and its amendments. Please return the batteries/rechargeable batteries and/or the product to the available collection points.

Termék	Magasság (cm-ben)
talpk nélkül	kb. 97
A talppéggel	kb. 101
B talppéggel	kb. 103

### Mentesítés

A csomagolás környezetbarát anyagokból készült, amelyeket a helyi árhazsznosító helyeken adhat le ártalmatlanítási céljából.

### Funkciók

#### Soundbox (lásd V. ábra)

#### A Soundbox-on 5 gomb található

(28a, 28b, 28c, 28d, 28e)

□ A be-/kikapcsoláshoz nyomja meg a 28a gombot.

□ Nyomja meg a 28b gombot és megszólal egy hang.

□ Nyomja meg a 28c gombot és megszólal egy hang.

□ Nyomja meg a 28d gombot és megszólal egy hang.

□ Nyomja meg a 28e gombot és megszólal egy hang.

Tudnivaló: A hang 1.5 másodperc után automatikusan kikapcsol.

#### Akkus csavarhúzó hanggal (lásd W. ábra)

#### 2 gomb található az akkus csavarhúzón

(29a, 29b)

□ Tartsa a 29a gombat lenyoma, hogy az akkus csavarhúzó elforduljon. A kikapcsolásra engedje el a gombot.

□ Mozgassa a 29b gombot forgásirány megváltásához (az önműtató járásával ellenkező irányban).

### Elemek behelyezése/cserélése

#### Az elemek behelyezésénél és eltávolításánál kérjük, a Q és T ábra szerint járjon el.

### Ápolás és tárolás

■ Ne használjon maró vagy erős tisztítószert.

□ A termék csak száraz kendővel tisztítsa.

□ Késztyük: Hideg kézi mosás fehérítés nélkül. Fekete szűrítés.

□ A terméket mindenkor szárazon és szabóhőmérsékleten tárolja.

### Garancia

A terméket szigorú minőségi előírások betartásával gondosan gyártottuk, és szállítás előtt teljesítményes előnöktől. A termék hiányosságát tapasztal, akkor a termék eladójával szemben törvényes jogok illeték meg Önt. Ezeket a törvényes jogokat a következőkben ismert garancia vállalásunk nem korlátozza.

A hulladék elkülönítéséhez vegye figyelembe a csomagolányacon található jelzéseket. Ezek rövidítések (a) és számokat (b) tartalmazzák a következő jelentéssel: 1-7: műanyagok (20-22: papír és karton/80-98: kötőanyagok).

A kiszolgált termék megsemmisítési lehetőségeitől függetlenül a szállításnak származtatott tárékozódhat.

A környezeti érdekekben, ne dobja a kiszolgált terméket a hűtőszekrénybe, hanem adjja le szakszerű ártalmatlansára. A gyűjtőhelyekről és azok nyitvatartási idejéről az illetékes önkormányzatról tájékozódhat.

A termék vásárlásától számított 3 éven belül anyag-, vagy gyártási hiba merül fel, akkor a vásárlásunk szerint a terméket ingyen megjavíthatjuk vagy kicserejük. A garancia megszűnik, ha a termékkel megrongáltak, nem szakszerűen kezeltek vagy tartottak karban.

A garancia az anyag, vagy gyártáshátról vonatkozik. A garancia nem terjed ki azokra a termékrekre, melyek normál kopásnak vannak kitéve és ezért fogynésszéközik teknikaiak (pl. elemek), vagy a törekény részére sérülésére, pl. kapcsolók, akkumulátorok, vagy üvegből készült részek.

■ Garanciális ügyek lebonyolítása Ügyének gyors elintézhetősége céljából, kérjük kövesse az Franciaországba vonatkozókat:

A termék és a csomagolányok újráhazsznosíthatók, és kiterjesztett gyártói felhasználási tartoznak. A jobb hulladekkezelés érdekében a csomagolásban látható szimbólumok szerint külön dobja ki. A Triman-logó csak Franciaországba vonatkozik.

A hibás vagy elhasznált elemeket/akkumulátorokat a 2006/66/EK irányelv és módosításai értelmében újra kell hasznosítani. Szolgáltassa vissza az elemeket/akkumulátorokat vagy a termékeket az ajánlott gyűjtőállomásokon keresztül.

Környezeti kárak az elemek/akkumulátorok használata

■ Környezeti kárak az elemek/akkumulátorok használata</
