- The product may become unstable if used incorrectly. This could result in injuries or property damage.
- During the assembly children must be kept away due to possible risk of injury.
- Do not use the product near open fire.
- Adult assembly is required.
- Verify the product is stable before use.
- Be sure to set the product on a level and firm surface.
- Check the product for damage or wear before every use. Only use the product in good condition.
- Do not use the product if damage is visible or suspected.
- Risk of property damage!**
We are not liable for accidents resulting from failure to comply with the above safety instructions or improper handling.
- The activity toy shall be placed on a level surface at least 2 m from any structure or obstruction such as a fence, garage, house, overhanging branches, laundry lines or electrical wires.
- The toy shall not be installed over concrete, asphalt or any other hard surface.
- Do not modify the product.

- Check all nuts and bolts for tightness and tighten when required.
- Check all covers and screws for sharp edges and replace them if required.
- Replace defective parts in accordance with the manufacturer's instructions.
- Before storing, empty out the water completely and allow the product to dry.

Assembly

- Do not fully tighten the screws immediately when assembling. Only tighten all screws when each section is completed.
- Note:** Remove all packaging materials from the product.
- Note:** You will need an additional cross-head screwdriver in order to assemble the product.
- Follow the steps shown in figures A-T for the assembly of the product.

How to play

- This activity toy allows children to create individual waterfall paths.
- With the watering can, they can try out different ways to activate the installed wheels with water so that they turn smoothly.
- Note:** Remove the sprinkler head of the watering can when playing with the waterfall path. When using the watering can for watering, put the sprinkler head back on.
- Figures U and V show examples of waterfall path combinations. If necessary, give your child some guidance.

Care and storage

- Do not use harsh or aggressive cleaning agents.
- Clean the product only with a soft, dry cloth.
- Always store the product clean and dry and at room temperature after use.
- To help extend the life of this product it will need covering or sheltering during heavy rain and strong sunlight. For this purpose, use the cover [S12] (see fig. W).
- Secure the product in extreme weather, e.g. strong wind. Store the product in protected areas.

Disposal

The packaging is made entirely of recyclable materials, which you may dispose of at local recycling facilities.

Contact your local refuse disposal authority for more details of how to dispose of your worn-out product.

Warranty

The product has been manufactured to strict quality guidelines and meticulously examined before delivery. In the event of material or manufacturing defects you have legal rights against the retailer of this product. Your legal rights are not limited in any way by our warranty detailed below.

The warranty for this product is 3 years from the date of purchase. The warranty period begins on the date of purchase. Keep the original sales receipt in a safe location as this document is required as proof of purchase.

Any damage or defects already present at the time of purchase must be reported without delay after unpacking the product.

Should the product show any fault in materials or manufacture within 3 years from the date of purchase, we will repair or replace it - at our choice - free of charge to you. The warranty period is not extended as a result of a claim being granted. This also applies to replaced and repaired parts.

This warranty becomes void if the product has been damaged, or used or maintained improperly.

The warranty covers material or manufacturing defects. This warranty does not cover product parts subject to normal wear and tear, thus considered consumables (e.g. batteries, rechargeable batteries, tubes, cartridges), nor damage to fragile parts, e.g. switches or glass parts.

Warranty claim procedure

To ensure quick processing of your case, please observe the following instructions.

Please have the till receipt and the item number (IAN 465987_2404) available as proof of purchase.

You will find the item number on the rating plate, an engraving on the front page of the instructions for use (bottom left), or as a sticker on the rear or bottom of the product. If functional or other defects occur, please contact the service department listed either by telephone or by email. You can return a defective product to us free of charge to the service address that will be provided to you. Ensure that you enclose the proof of purchase (till receipt) and information about what the defect is and when it occurred.
